

DONOVAN LIGHTING

1808-U (48") uplight/downlight

METRO 1800 PENDANT

Designer: Brian Donovan

Description: A circular metal ceiling pendant fixture of either spun aluminum or brass. The bottom dish holds a diffuser of perforated metal or prismatic polycarbonate. The prismatic may or may be tinted (lavender, blue-green, peach or custom). Light is emitted from the sides as well as through the bottom diffuser. This fixture is available as a stem pendant, cord pendant or cord/track pendant. Stem or cord length is custom. Four fixture sizes are also offered.
